

Osteolyn®

Made in USA

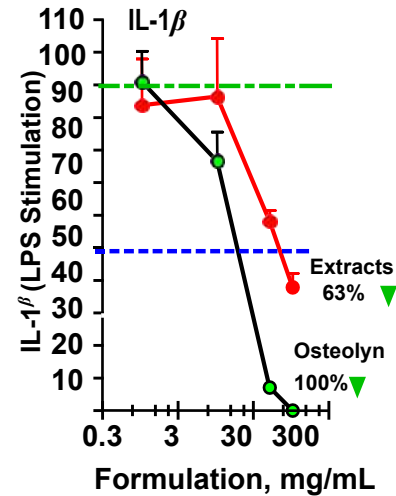

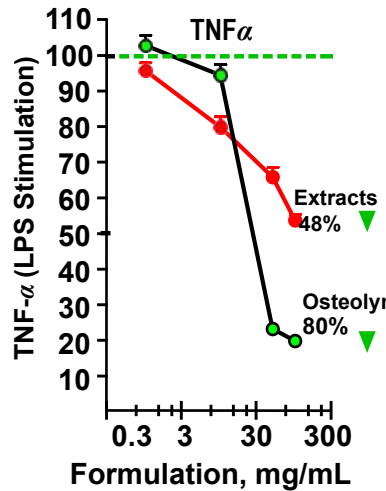

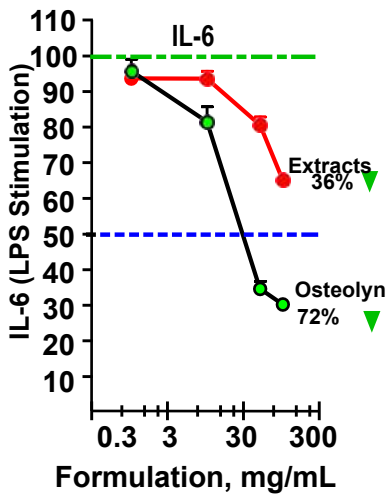

PRODUCT HIGHLIGHTS

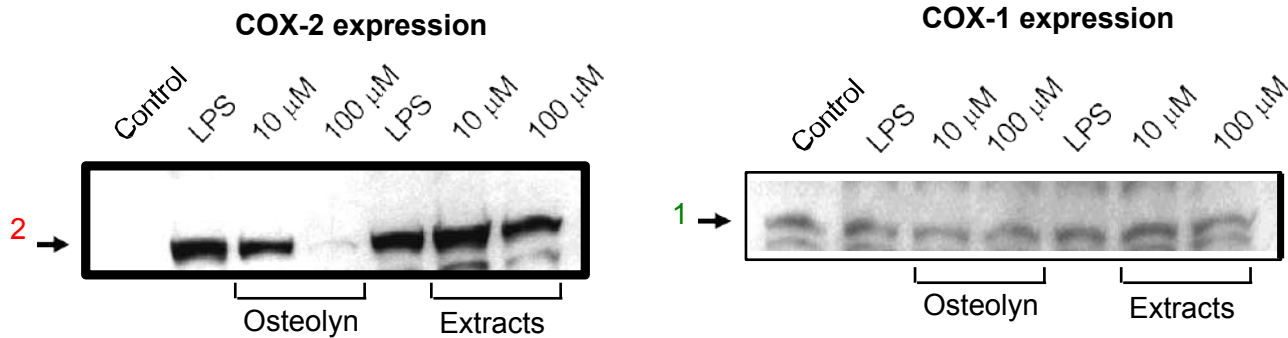

- Extracts + Minerals + Amino Acids
- Improves Joint Mobility
- Reduces Proinflammatory Cytokines
- Inhibits COX-2 Enzyme
- Scientific Pre-Clinical Research
- Safety Evaluated in Animal Models
- Clinically Tested in Trials

Pre-Clinical Studies

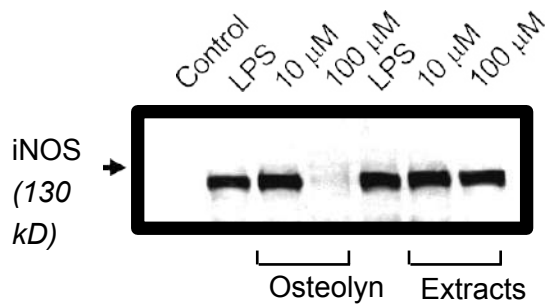

Osteolyn Inhibits Pro-inflammatory Cytokines Dexamethasone + LPS

Osteolyn selectively inhibits COX-2 Expression

Osteolyn selectively inhibits inducible nitric oxide (iNOS) gene Expression

Osteolyn®
